

12' x 16' Roll-up Door

Shop Area

Total Structure to be 48'x64' with 16' walls
Bed Rooms to be located on the 2nd floor
possibly in the "Attic" space. This would
be accomplished by purchasing Attic trusses
over the shop area, while Cathedral trusses
would be used over the living area.

Future Fireplace

8'x10' Garage Doors

Shop Bath
